Dear Friend of the Chapter,

We will once again be offering ad sales as an online publication of a Sponsor's Page on our Website. I encourage everyone to consider the **GOLD LEVEL** sponsorship so that you will get your logo and a graphical hyperlink to your company's website. This year we have added a package deal option for you that will save you money on a hole sponsorship at the September golf outing as well as create administrative ease with your contribution (please see payment options below). Your past generous support and participation has allowed our chapter to be successful and promote the foundry industry in Tennessee and across the Southeast. Your donations are used to fund our monthly meetings, special outings, support of local universities, and most importantly, annual scholarships awarded to students expressing a desire to join us in the foundry industry. This exciting change from a printed booklet to an online Sponsor's Page has many benefits as it will give worldwide exposure to all of our contributors compared to a limited number of printed booklets. Another benefit is that the information can be edited or altered quickly which is impossible in a printed handbook.

We have many exciting things planned along with more communication through our website in the coming months. Please visit our website at [www.afstennessee.org](http://www.afstennessee.org)

We are pleased to offer three levels of support for your consideration. Please keep in mind that if you purchase a hole sponsorship in combination with the package below you will save \$25.00 on the hole sponsor and you can feel free to make a single payment.

**GOLD LEVEL:** \$350.00 contribution or **\$400.00** with hole sponsor package discount. This will include a large graphical hyperlink to your company's website on the Chapter Sponsor's Page. Your company's logo and hyperlink will also be proudly displayed on the AFS Tennessee Home page at random intervals with the other GOLD LEVEL sponsors. All sponsors will receive recognition at the monthly meetings.

**SILVER LEVEL:** \$275.00 contribution or **\$325.00** with hole sponsor package discount. This will include a graphic displaying your company's logo on the Sponsor's Page. All sponsors will receive recognition at the monthly meetings.

**BRONZE LEVEL:** \$200.00 contribution or **\$250.00** with hole sponsor package discount. This will include a listing of your company's name on the Sponsor's Page. All sponsors will receive recognition at the monthly meetings.

A test Sponsor's Page can be found at <http://www.afstennessee.org/sponsor.shtml> As always, any level of support and participation in YOUR chapter is tremendously appreciated.

We would love to receive all contributions by September 1, 2008.
